Biography

Dr Edward Hems BDS (Lon) 1992.MS (UCSF) Oral Biol. Cert. Prosthodontics (UCSF), Specialist in Prosthodontics.

Dr Hems graduated in 1992 from the Royal London, he spent 2 years in dental hospitals in Paedodontics and Oral surgery in London and Essex, before spending 2 years in general dental practice in Wimbledon London. He travelled to The USA to Univ of Calif San Francisco to do a 3-year Specialty Program in Prosthodontics along with a Masters in Oral Biology. He returned to the UK and The Eastman Dental Hospital in 1999 where he helped establish the M.Clin. Dent in Prosthodontics and spent 10 years Co-ordinating the Restorative Mono-specialist trainees in their final year preparing for MRD and exit examinations for the 3 Restorative Mono Specialties.

He established the Royal House Dental Centre in 2002 to present in Henley-on-Thames, Oxfordshire UK providing general and specialist restorative care particularly implant-based dentistry.

His main interests in dentistry are 3D scanning and printing, Implant complications, Education of future graduates, Treatment of the aging dentition and longevity of restorations.

Dr Hems is the President of the American Dental Society of London
