### 3 – CONFERENCES

---

- 1994 :** « L'orthodontie de l'adulte ». Congrès de la Société Française d'Orthopédie Dento-Facial. (S.F.O.D.F)
- 1998 :** « Classe III chirurgicale, approche pluridisciplinaire ». Beirut International Dental Meeting
- 2000 :** « D.D.M en denture mixte, substitut possible aux extractions sériées ». Congrès d'Orthodontie – Pédodontie
- 2002 :** « Relations molaires en O.D.F. selon l'âge ». Beirut International Dental Meeting, Lebanese University
- 2004 :** « Comment aborder les malocclusions de Classe III ? ». Beirut International Dental Meeting, Lebanese University
- 2004 :** « Problèmes spécifiques de la sphère oro-maxillo-faciale et de l'ouïe chez les musiciens pratiquant les instruments à vent : A propos de 340 musiciens libanais ». Chaaya A, Ghoussoub K, Sayegh-Ghoussoub M, Rifai K. SOFMER Meeting 2004 (Société Française de Médecine Physique et de Réadaptation)
- 2007 :** « Management of supernumerary teeth in Orthodontics ». Beirut International Dental Meeting
- 2009:** « Orthodontic management of borderline malocclusions treated non surgically ». Beirut International Dental Meeting, Lebanese University
- 2010:** Scientific day held by Dr Ghoussoub M. at the Syrian Orthodontic Society. June 24.
- 2010:** « Advances in Orthodontics ». Beirut International Dental Meeting. September 22-25.
- 2011:** Conference: « Multidisciplinary approach in Class III malocclusion treatment. A case report. 12<sup>th</sup> Annual Meeting of the Lebanese Orthodontic Society
- 2011:** Conference: « White spot lesions during orthodontic treatment ». 21<sup>st</sup> Beirut International Dental Meeting
- 2011:** Conference: «Malocclusions, orthodontics and speech; what to consider? ». 21<sup>st</sup> Beirut International Dental Meeting

- 2012:** Conference: « Retention in Orthodontics : A three-dimensional philosophy ». 22<sup>nd</sup> Beirut International Dental Meeting, Congress Palace Beirut, September 19-22, 2012.
- 2012:** Conference: « Role of the orthodontist in gummy smile treatment». Continuous education- Lebanese University.
- 2014:** Conference: « Orthodontic approach: transverse dimension first». 24<sup>th</sup> Beirut International Dental Meeting, Beirut International Exhibition and Leisure Center, September 11-13, 2014.
- 2014:** Poster: «Superimposition in orthodontics: essential tool of learning». 12<sup>th</sup> Annual Meeting of the Lebanese Orthodontic Society, (2<sup>nd</sup> price poster).
- 2015:** Poster: «Three- dimensional soft tissue prediction in orthodontics and orthognathic surgery». 24<sup>th</sup> Beirut International Dental Meeting, Lebanese University, 2015. 2<sup>nd</sup> price poster.
- 2015:** Poster: «Class III patient treated with asymmetrical extractions- a case report». 24<sup>th</sup> Beirut International Dental Meeting, Lebanese University, 2015.
- 2015:** Conference: «Breastfeeding and maxillary growth». 8th scientific day of the school of midwives. May 18, 2015 at the Saint-Joseph University.
- 2015:** Conference: «Rapid maxillary expansion: Three-dimensional visualization ». 25<sup>th</sup> Beirut International Dental Meeting, Beirut International Exhibition and Leisure Center, October 8-9, 2015.
- 2015:** Poster: « Premolars in smile esthetics: perceptions in dental professionals and laypersons». 25<sup>th</sup> Beirut International Dental Meeting, Beirut International Exhibition and Leisure Center, October 8-9, 2015.
- 2016:** Poster: « Facial asymmetry perception in professional and nonprofessional groups ». 8th International meeting, April 21-23, 2016 -Balamand University.
- 2016:** Poster: « Corticotomy: Efficiency and anchorage control ». 26<sup>th</sup> Beirut International Dental Meeting, Beirut International Exhibition and Leisure Center, October 14-15, 2016.
- 2017:** Poster: « Transverse dental compensation in skeletal Class II patients ». 15<sup>th</sup> Annual Meeting of the Lebanese Orthodontic Society, March 2017.

- 2017:** Poster: « Conventional Versus Instant Orthodontics». 25<sup>th</sup> Beirut International Dental Meeting, Lebanese University, May 2017.
- 2018:** « Impact fonctionnel de la disjonction rapide maxillaire ». 2<sup>ème</sup> congrès Tuniso-Libanais, Regency Tunis Gammarth, December 14-16, 2018.
- 2019:** « New cephalometric landmarks identification in Rapid Maxillary Expansion ». 16<sup>th</sup> Convention of the Lebanese University, May 2-4, 2019.
- 2019:** « Functional Effect of Rapid Maxillary Expansion ». 11<sup>th</sup> Syrian Orthodontic Congress, Nov. 27-28, 2019.
- 2020:** « Clinical severity of orthodontic malocclusions ». Webinar at the Orthodontic Mastery Group, August 21, 2020.
- 2020:** Organizer and moderator for the Solidarity Fundraising Event after Beirut explosion with Orthodontic Mastery Group. September 18-19, 2020.
- 2020:** Chairperson at the CAPP webinar. 15<sup>th</sup> CAD/CAM & Digital dentistry International Conference. November 12-15, 2020.
- 2020:** Moderator at Orthodontic Mastery Group webinars and Al-Azhar University (Egypt) webinars. 2020.
- 2021:** « Approche Orthodontique Globale au Traitement du Sourire Gingival ». Invited speaker at the webinar of the ATREO- Association Tunisienne de Recherche et d'Etudes en Orthodontie. January 16, 2021.
- 2021 :** « Functional Effect of Rapid Maxillary Expansion: an Update». Keynote speaker at the 17<sup>th</sup> Turkish Orthodontic Society TOS International Virtual Congress. March 12-14, 2021.
- 2021:** « 12 extraction variations treated by self-ligation system». Moderator at the CAPP for Chris Chang presentation. April 11, 2021.
- 2021:** « Management of supernumerary teeth in orthodontics: multidisciplinary approach». Invited speaker at Tawassol Dentists Group- Morocco. May 21, 2021.
- 2021:** « Comprehensive Orthodontic Approach of the Excessive Gingival Display». Invited speaker at EDSIC-Ortho. Cairo-Egypt. August 29-31, 2021.
- 2021:** «Aesthetic Milestones in Orthodontics». Invited speaker at the 15<sup>th</sup> Annual Meeting of the Saudi Orthodontic Society SOS. December 6-8, 2021.
- 2021:** «Clinical Severity in Orthodontics: from Assessment to Treatment». Invited speaker at the 12<sup>th</sup> Annual Meeting of the Syrian Association of Orthodontists- Damascus. December 7-9, 2021.
- 2022:** «Comprehensive Orthodontic Management of the Excessive Gingival

Display». Speaker at the 19<sup>th</sup> LOS Meeting- July 15, 2022 at Gefinor Rotana (Beirut).

**2022:** «Facial asymmetries in Orthodontics». Speaker at the BIDM- October 13-15, 2022 at Seaside Beirut New Waterfront.

**Tutor for undergraduate and postgraduate dissertations in the School of Dentistry at the Lebanese University:**

**2012:** **Sara Arja:** “Contribution of new radiological technique (CBCT) in orthodontics”. Undergrad.

**2013:** **Mireille Kanaan:** “Surgical-orthodontic treatment of excessive gingival display”. Undergrad.

**2014:** **Robin Khoury:** “What’s new in orthodontic superimposition?”. Undergrad.

**2016:** **Christophe Zoughaib:** “Facial asymmetries in Orthodontics”. Undergrad.

**2017:** **Jessica Chaaya:** “Novelties in adult Orthodontics”. Undergrad.

**2018:** **Gloria Khalil:** “Three-dimensional visualization of the rapid maxillary expansion”. Undergrad.

**2019:** **Ursula Abou Kheir:** “Esthetic appliances in Orthodontics”. Undergrad.

**2020:** **Rim Rkein:** “2D versus 3D soft tissue evaluation in Orthodontics”. Undergrad.

**2021:** **Arine Lozoyan:** “New concepts in Rapid Maxillary Expansion”. Undergrad.

**2022:** **Philip Farha:** “Correlation between cephalometric values and soft tissue profile in class I and class II adult patients”. Postgrad.

**2023:** **Ursula Abou Kheir:** “Comparison between two dimensional and three-dimensional imaging in evaluating the frontal dimension using Grummons Analysis”. Postgrad.

# 4 – COMMUNICATIONS

---

## ANNUAL INTERNATIONAL COMMUNICATIONS AND ABSTRACTS (ABSTRACTS) SUBMITTED TO A READING COMMITTEE:

- 2001 :** «Problèmes liés au port du cartable : à propos de 706 élèves ». Ghossoub K, El-Ghorr L, Gerbaka B, Kharrat K, **Sayegh-Ghossoub M**. XVI Journées de la SOFMER, October 4-7 BORDEAUX-FRANCE
- 2001 :** « Prévalence des douleurs et atteintes ostéo-articulaires chez les musiciens libanais. Etude rétrospective sur 210 musiciens ». Ghossoub K., Baddoura R., Osta L., **Sayegh-Ghossoub M.**, Roukoz S. XVI Journées de la SOFMERR, October 4-7. BORDEAUX-FRANCE
